

## AEROMiST SOLACE™ MISTING KIT

Cool. Calm. Controlled.

Step into effortless high-pressure misting with the Solace Misting Kit — a complete system designed to balance performance, durability, and ease of use.

 **Whisper Quiet Performance**  
At just 55 decibels, The Solace is perfect for residential, hospitality, or commercial venues where ambiance matters.

 **Intelligent, Efficient Cooling**  
Sensors monitor temperature and humidity in real-time, enabling smart misting that adapts to climate conditions.

 **DIY-Ready Yet Commercial-Grade**  
Plug-and-play connections, built-in LCD interface, and modular setup make it ideal for both pro installs and DIY kits.

 **Built for Harsh Environments**  
With an IP67-rated controller, durable seals, and robust frame, Solace is ideal for hot, dry, and dusty environments.

 **Easy to Control, Easy to Maintain**  
Whether via the onboard screen or remote control, Solace offers unmatched convenience. Maintenance reminders, filter checks, and easy oil changes keep performance at its peak.
