EZ-1000  
MISTING PUMP

## Why Mistmaid?

Designed for effortless elegance, Mistmaid blends seamless installation, ultra-fine cooling, and enduring performance—bringing refined comfort to any space.

## How it works.

The EZ-1000 creates high-pressure to deliver an ultra-fine aeromist that can cool your patio by up to 30°F—without getting surfaces wet. Its plug-and-mist design connects in minutes, with no special tools or expertise needed.

## In the box.

Each EZ Kit includes everything you need to create a seamless cooling experience—premium brass nozzles, stainless steel connectors, tubing, and all necessary fittings. Choose the EZ Kit 50 or 100 for a complete setup scaled to your space.
